

# LEISURE POOLS

SWIMMING IN QUALITY AND STYLE

## THE REFLECTION

The Reflection is Leisure Pools' most modern design that could be called simply perfect.

With land shapes and sizes constantly evolving the Reflection offers not only versatility in terms of placement on your block but it also provides a simplistic structure to suit every home and still have the practicality that you want from a swimming pool.

This stylish rectangular swimming pool has entry steps perfectly positioned at both ends of the pool with a full length bench seat to suit a variety of purposes, without compromising space for swimming.

The simple and elegant design features very square corners that epitomise modern design and lend themselves to suit a variety of landscaping options to reflect your own style.

By having the full length bench and steps on one side of the pool the design allows the deepest part of the pool to be well away from any house foundations. This can often allow the pool to be situated closer to the home, which is a great benefit where space for a pool is limited.
